

WE'RE ALL THE SAME

INTRO

VERSE 1

Wherever we go,
Wherever we are,
We all have the same rights,
Doesn't matter if you're black or white.

VERSE 2

Don't feel ashamed,
We're all the same,
We all take part,
If we have a good heart.

CHORUS

If you're mistreated,
And abused,
Don't break down,
Just, stand your ground.

REINTRO

VERSE 3

We all look different,
But inside we are same,
We all have a heart,
Making sun or makin' rain.

CHORUS

SOLO

BRIDGE

Being different is not a shame,
If happiness is at your aim,
Proudly raise your hand,
Every time they call your name.
Ooo-oo
Ooo-oo
Ooo-oo

OUTRO

We're all the same,
We're all the same,
All the same, same, same,
We're all the same.
